

# Sebert Wood Primary School

## *Parent/Carer Update*

Friday 19<sup>th</sup> April 2024

Dear Parents and Carers,

Welcome back to the summer term! It's been an exciting week with our author visit from Steve Clifford for Years 4-6. Having worked in more than 500 schools during the last nine years, he commented on the wonderful creativity and imagination the children at Sebert Wood have demonstrated during his workshops. He will be returning at the start of May to work with Years 1-3.

We had some fun competitions at the end of last term, which resulted in several children being awarded their prizes this week. Firstly, the winners of our science poster competition each received a science puzzles book. We also had many pupils take part in the Arc's 15<sup>th</sup> birthday event, where children were challenged to design what they thought the shopping centre would look like in the future. Well done to everybody who took part, enjoy spending your vouchers!

As a senior leadership team, we are always mindful of how fortunate we are to have such passionate and highly committed staff at the school. It was wonderful to see one of our teaching staff, Mrs Harvey, publicly recognised for her amazing service to Sebert Wood as the runner-up in the Bury Free Press TA of the Year award. Well deserved!

Have a fantastic weekend,

Mr James Tottie and Mr Jamie Winch
