BURY SCHOOLS PARTNERSHIP EVENTS

At the end of April we took two teams to the Bury Schools Girls Football Festival at Sextons Manor Primary. Six teams in all took part and despite the sleet, rain, wind and snow the girls thoroughly enjoyed the experience. As it was a festival there were no official winners but our teams won the majority of their matches and their skills really developed throughout. The teams were ably assisted by Sports Leaders from King Edward VI School.

We also took a team of mixed Year 4 players to Westgate to play them at Hockey. We won all our matches convincingly and then finished the event with some friendly matches with both teams mixing up to play each other. The children played really well and enjoyed the experience of an away match at another local school.
Thank you to those parents who helped transport to these events.
