Sports Days

Our sports days took place last week and we were fortunate that we had fantastic weather. We had plenty of support for all Key Stages and it was great to see so many parents, grandparents and friends in school enjoying these events. The children had a great time taking part in a range of activities which were both fun and competitive. Our thanks to Mrs Plumb, Mrs Banns and the whole staff team for organising these days.

Early years javelin!

Key Stage 2 champions—purple team!

Adventure Trail

On Friday 13th June, the whole school took part in the 2014 Adventure Trail. The determination of the children was great to see and they thoroughly enjoyed trekking through the woods and school grounds. The children did a great job on a very warm day and were well supported by parents and friends. Our thanks to Mrs Plumb who organised the event in conjunction with FOSWS and to the volunteers from FOSWS who manned the course. Thanks also goes to Sherbert for making the event great fun for the children.
