

WEEKLY UPDATES 12.07.2019

Year 1

What a fantastic year we have all had! The children have worked so hard and are now ready for a good rest!

After our transition days on Monday and Tuesday we will be having great fun with all things 'Piratey'! We will enjoy activities including designing WANTED posters, writing a message in a bottle, sharing out the treasure in pirate maths, pirate PE, using squared paper to create their own treasure map, pirate orienteering and making hats, eye patches and telescopes! The children are invited to come into school dressed as a pirate on Friday 19th July.

Please see below for the day for your child to bring in a piece of their Pirate homework to share.

Wednesday 17th RED
Thursday 18th YELLOW
Friday 19th PURPLE
Monday 22nd BLUE GREEN

We are now very close to the end of term. Thank you for sending a carrier bag in with your child so that we are able to send all their work from Year One home with them. We will have our final PE session on Tuesday 23rd July and will send PE kits home after this.

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week.

We would like to wish you all a fun and safe Summer holidays and look forward to seeing the children when they come back in September as Year Twos.

Enjoy tonight's Sebert Woodstock, have a lovely weekend and thanks for all your support this year,

The Year One Team

Year 2

This week the children have enjoyed working with Year 6 children to create sock monkeys! At the start of the week they worked in pairs to design their monkey, which Year 6 then went away to make. Today our classes got to see the finished result, and then they worked with partners to create a story for the monkey. It was lovely to see the yeargroups work so well together – well done Year 2!

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week. The children were excited to show their school work to families after school on Monday – thank you to those who could make it.

A reminder that on Monday and Tuesday next week children will spend time in their new classrooms with their new teachers. When they return to Year 2 we will continue to have Maths, English and topic sessions as usual for the rest of the day.

We hope you enjoy tonight's Sebert Woodstock and have a great weekend.

The Year 2 Team

Year 3

We can't believe that it's the last full week of the academic year!

On Monday and Tuesday, the children will spend two days in their new classes with next year's teachers. The children will need their PE kit in school for these days. (Please see separate parentmail about this). Please note that there is no swimming for Year 3 children on Tuesday 16th July. There WILL however be swimming on Tuesday 23rd July.

In the remainder of the week, we will be having Philosophy on Wednesday and we will be playing some games in PE. In Science we will be learning about the various methods of seed dispersal.

Please send your child in with a named strong carrier bag as they will begin bringing home their books and work from Year 3.

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week.

Thank you for the wonderful home learning work which has been completed throughout the year, we have really enjoyed looking at it! No more homework needs to be completed in Year 3.

We hope you enjoy tonight's Sebert Woodstock and have a great weekend.

Year 3 Teaching team

Year 4

On Monday this week we concluded our Science topic on electricity with an investigation into insulators and conductors. The children came to some good conclusions and we had a discussion on the benefits of electricity but also the need for a healthy respect of it. We have touched upon safety issues which you may want to build upon in relation to your own homes and the electrical appliances therein.

This week we finished our wind chimes which were lovely and encompassed many varying designs!

In Music the children created their own musical compositions. They wrote the music and played their pieces to the class. I was very impressed with the culmination of all that we have learned this year.

On Monday and Tuesday next week the children will spend two days in their new classes with next year's teachers.

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week.

Next week we will also be holding our French party. The children will enjoy all the food they have cooked over recent weeks as long as they can ask for it in French! This week they made biscuits.

We hope you enjoy tonight's Sebert Woodstock and have a great weekend.

Year 4 Team

Year 5

The children really enjoyed the sports afternoon on Wednesday. Congratulations to team Earhart who gained the most points. Thank you to those of you who were able to attend, it was lovely to see you and we were very fortunate with the weather.

Next week, the children will spend Monday and Tuesday with their new teacher. A separate parentmail has been sent explaining the arrangements.

For the remainder of the week, the children will be completing work on the Maya. They will be evaluating their websites in computing. PE will take place on Thursday as usual. Sports Leader training will take place on Wednesday for those children who have signed up for it.

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week.

A reminder that children will need to bring their musical instruments in on Tuesday. There won't be a music lesson but the Music teacher needs to clean them in that session ready for next year.

We hope you enjoy tonight's Sebert Woodstock and have a great weekend.

The Year 5 Team

Year6

We cannot believe how quickly this last term has flown by, and how little time we have left! This week the children have been working hard, and persevering, on their sock monkey project. Their Year 2 partners were extremely excited about receiving these today and writing a story about them together with their Year 6 buddy. It has been lovely to see our Year 6 children taking their time, and focussing, to ensure what they produce is the best it could be!

In addition to this, we had a very successful Sports afternoon on Wednesday – thankfully the weather held out for us! Well done to the winning team Earhart, and thanks to those who came to support their children at the track.

As the children's time at Sebert Wood draws to a close, we have some exciting things planned to celebrate, utilising the profits from our Enterprise Project. Our final profit was £790.30!

On Thursday, from 5.00pm – 8.00pm, as you are already aware of, we have our Planet Laser Leavers Event. Here the children will have unlimited access to the ten pin bowling and laser games. Additionally, a meal and drink will be provided. Thank you to those who have returned the consent for this, and advised us on how your child will be collected at the end of the event.

Furthermore, as well as the Leavers assembly on Friday 19th from 10am, the children have decided that they would like a water fight in the afternoon. For this, they will need a spare change of clothes, towel, and something to use during the water fight (this could be a water pistol or water bottle for example). We are also planning some additional treats for this afternoon, paid for using the remaining profits from our enterprise event. Details for this to be confirmed as soon as possible!

Thank you to everyone who has returned acknowledgement slips for school reports – if you haven't returned yours yet, please send it in next week.

We hope the children who are going to Sybil Andrews and Thurston have a good few transition days, next week. Please see separate email in regards to all transition information for Year 6 children and medication/inhalers.

We hope you enjoy tonight's Sebert Woodstock and have a great weekend.

The Year 6 Teaching Team
