

Home Learning for Year 2

	English	Maths
Monday	Write a list of words beginning with 'dr' . Write the words into a sentence using an adjective. The <i>shy</i> <u>dragon</u> hid in his cave. The <i>loud</i> <u>drill</u> gave me a headache! Challenge: How many 'dr' words can you include in the same sentence?	Lesson 1 WR Maths whiterosemaths.com/homelearning/
Tuesday	Using minimum 5, maximum 20 LEGO bricks, build a simple model. Write instructions for someone else, how to build the model. Then give them the correct number of bricks and see if they can follow your instructions. You may use labelled diagrams to help them too.	Lesson 2 WR Maths
Wednesday	Choose a story you know, (remember Peter Pan we saw at the theatre) and write an alternative ending. Maybe the crocodile coughed up the ticking alarm clock so Captain Hook didn't hear him approaching.....	Lesson 3 WR Maths
Thursday	Pretend that the story you wrote yesterday has been made into a real book. Write a blurb for your new book.	Lesson 4 WR Maths
Friday	Learn to spell these words using - Look, cover, write, check. poor, fast, plant, many, because, last, path and clothes Then write each word into a sentence using capital letters, full stops, question marks or punctuation marks.	Lesson 5 WR Maths
Keep reading EVERYDAY! You could also keep a diary, recording what you're doing and how you feel about things. Have fun!
