

## Year 6 – Week 1 Home Learning

	<b>English focus</b>	<b>Maths</b>
<b>Monday</b>	Design an invention which will be beneficial to mankind. Then write a set of instructions to explain how the invention can be operated.	WR lesson 1 <a href="http://whiterosemaths.com/homelearning/">whiterosemaths.com/homelearning/</a>
<b>Tuesday</b>	Write a persuasive radio advert script to promote your invention. You could even record yourself reading this out.	WR lesson 2
<b>Wednesday</b>	Using Pobble365 image of the day as a stimulus, write a short story. <a href="http://www.pobble365.com">www.pobble365.com</a>	WR lesson 3
<b>Thursday</b>	Write a review for the last film you watched or book you read.	WR lesson 4
<b>Friday</b>	Complete a comprehension from one of the Reading SAT books	WR lesson 5

As always, we encourage children to continue reading regularly at home as well as logging onto Spelling Shed and TimesTables Rockstars.

Your child will also have pages left in their SATs books which can be completed at home.
