

# Year One Home Learning Menu

(week beginning 13<sup>th</sup> July)

Hello Year 1

This will be our last home learning menu for you. We would like you to select one or two activities, that you think you will enjoy, from the attached menu of choices each day. The activities are all based around the pirate topic that we would have normally ended year one with. We hope you enjoy the activities. There are also the usual white rose maths activities to complete each day too.

We are really looking forward seeing you all on our zoom meetings this week and Mrs Plumb and Mrs Martindale hope all the children who haven't been in school can come and join us on the field for our chat as well. It would be lovely to see you all in person.

We are really proud of you all for working so hard while we have not been able to come to school. We were sent some amazing work that shows what a wonderful and hard-working group you are.

We hope you all have a good summer break.

The Year one team
